GO

Go è la collezione di scrivanie direzionali che coniuga la solidità della struttura in metallo con il calore e l'eleganza del basamento in legno.
Una linea pensata per offrire postazioni pratiche, razionali e contemporanee, dove estetica e funzionalità trovano il giusto equilibrio.
Le scrivanie si distinguono per il design raffinato, arricchito da contenitori e moduli di servizio integrati che ampliano le possibilità di utilizzo e organizzazione.
L'ampia gamma di configurazioni rende Go la **soluzione ideale per uffici direzionali moderni**, in cui stile ed eleganza sono requisiti fondamentali.
Go è il sistema di arredo che risponde in modo efficace alle esigenze quotidiane di uffici rappresentativi, ma ugualmente dinamici e funzionali.

Go is the collection of executive desks that combines the sturdiness of a metal structure with the warmth and elegance of a wooden base.
A line designed to offer practical, rational and contemporary workstations where style and practicality achieve the perfect balance.
The desks stand out for their sophisticated design, complete with integrated storage and service units that expand the possibilities for organisation and use.
The wide range of configurations makes Go the ideal solution for modern executive offices, where style and elegance are paramount.
Go is a furniture system that effectively meets the everyday needs of client-facing, fast-paced and high-performing offices.
