rovere portofino+bianco opaco

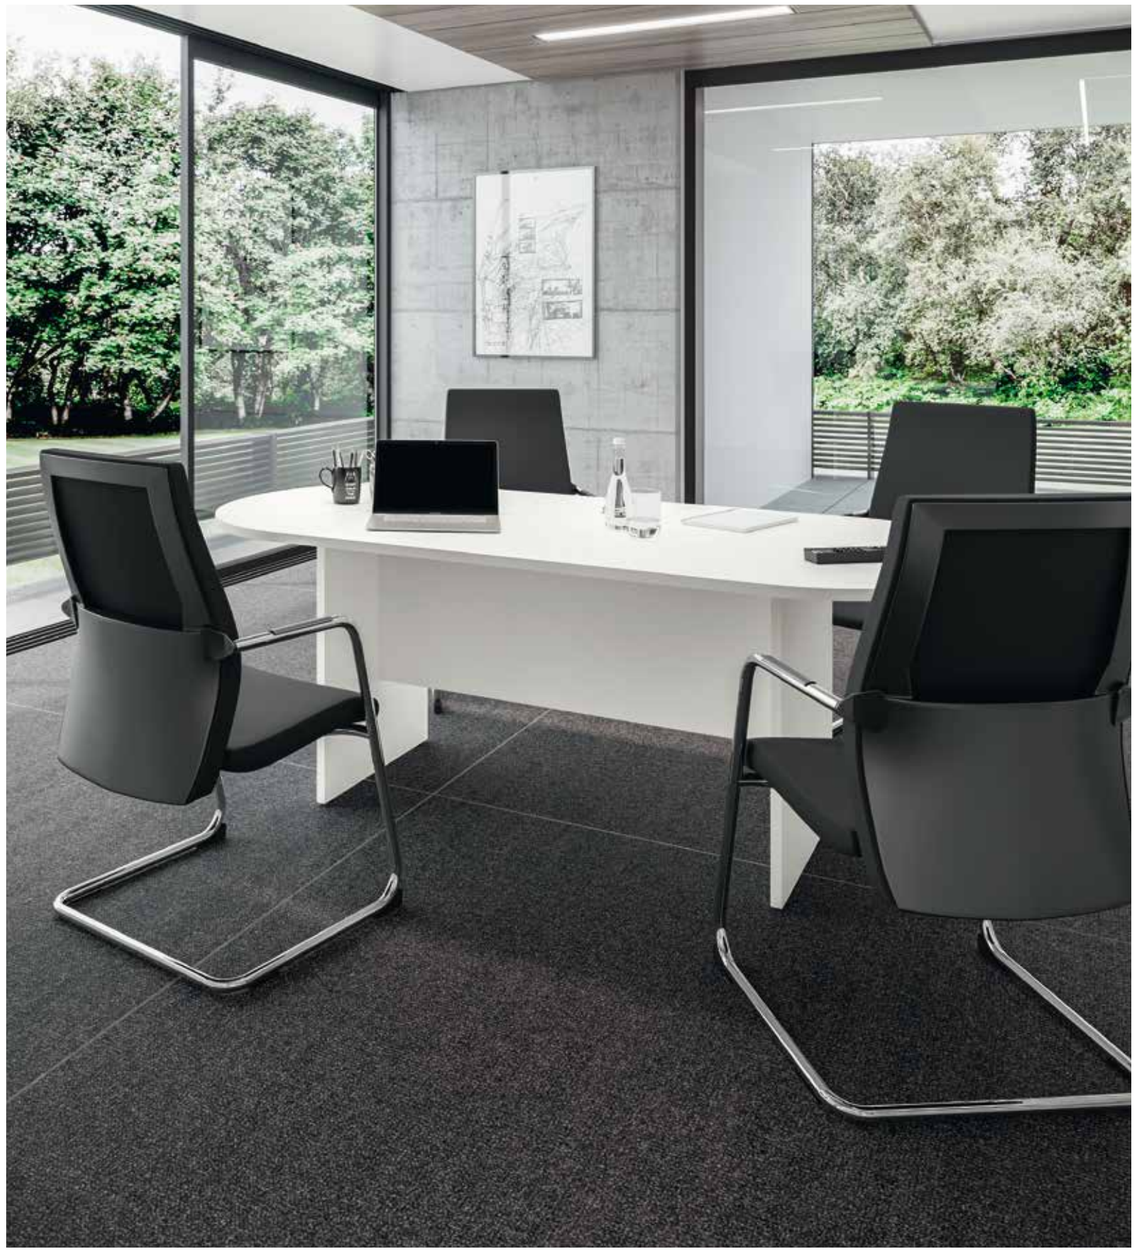

La collezione Teko si arricchisce di tavoli riunione, disponibili con basamenti in metallo o in legno. **Soluzioni pratiche, proposte sia in versione singola che modulare**, per rispondere a diverse esigenze progettuali.

The Teko collection is further enriched by a range of meeting tables, available with metal or wooden bases. These practical solutions are offered in both single and modular versions to meet a variety of design needs.
